STACEY & DENVER will be returning in a few weeks to Uganda for year 15 of ministry:

Stacey & I are physically building the campus, “loving THE LORD our GOD with ‘ALL our strength, heart and mind’, “ by pouring concrete, laying cement blocks; and making disciples- teaching the uncompromised WORD OF FAITH in our Christian School and Bible School. It is hard work physically. There is a reward eternally.

As you can see GOD is prospering and Blessing the good soil in our lives for HIS harvest.

Be a 2 Corinthians 9:8 believer! Purpose to give cheerfully. This makes ALL Grace abound to you.

Your gift of any amount makes you a partaker of the SAME reward as Stacey & Denver!

We WELCOME YOU, as partners. THANK YOU! FOR HIS GLORY! Jesus is LORD!

If you would like to come to Uganda or bring a team to work a couple weeks in person or fund a project see our website for contact info.

“for I was hungry and you gave Me food; I was thirsty and you gave Me drink; I was a stranger and you took Me in; I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me.’

‘Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me.’ Matt 25:35 & 40

Loving the Majesty Ministries

YEAR 15!! LOOK WHAT THE LORD HAS DONE!

by Apostle Denver Urlaub

Greetings in The Mighty Name of Jesus!

In 2 Chronicles 30:1, King Hezekiah wrote letters sending them to all Israel & Judah. Instructing that they should join together to keep the Passover of The Lord. Those gathering together in obedience resulted in a celebration of great joy & worship of our GREAT GOD.

Year 15 of our ministry to EAST AFRICA -UGANDA has begun with BLESSING!

Friend, partner, & fellow co-laborer for Jesus, “YOU” are a BLESSING to Stacey & me.

We are honored that you help send us to preach The Gospel. Today, we want to share with you what has happened since we came home in May. It is with GREAT JOY that Stacey & I share with you these TESTIMONIES of “what God has done”! Read on....

We almost met the budget last year. Upon returning to America, two donations sustained us, yet we faced the unexpected. We had driven our van to the airport leaving Uganda. On the way back to the property, our Assistant Pastor & Ministry Overseer Claude informed us that the van had a flat tire. Then, later it overheated resulting in a blown head gasket & warping the head scoring the pistons. The repair bill was \$1,500.00 to repair plus towing.

This is the third time we have re-built that 1998 engine. I had heard the Holy Spirit telling me to sell the van before I left the property. Instead, I reasoned. Logic prevailed. We didn’t sell. On our way home a partner gave us a check for \$2000.

Instead of breaking even for the year with that donation, we were repairing the van, again. At the beginning of June another partner advised us that he was reading a book and found a \$2,000 check he had written in May from property they had sold. Thank God for both faithful partners.

About the time the repair was completed, **Kenneth Copeland Ministries (KCM)**, who have partnered with *Loving the Majesty Ministries* since 2013, invited us to host an exhibit booth at the **2026 Southwest Believers Convention**. KCM does not cover our entire budget. They do send an unexpected percentage each year- thank you JESUS! I must admit how much Kenenth’s partnership speaks to my spirit. To be honored, recognized & acknowledged as a valid ministry, by such a “mighty man of God,” who takes action by sowing a tithe of his ministry income & includes to Stacey & me is the WONDER OF GOD!

SWBC EXHIBIT BOOTH

In June, KCM invited us to host a booth this year. The goal was to raise our missionary budget of \$120,000.00. These are actual costs of year 15th as listed below. It was a step of faith for Stacey & I to pay the fee for the booth. We did not “see the money available”. It is our first year hosting a booth. We had no idea how people would respond.

We had a decision to make. Invest upfront costs in the booth. Spend out of pocket expenses for a table banner, a stand-up retractable banner, and a wall banner. Buy a 55” TV in TEXAS for the power point video Stacey made showing each project & the budget believing we receive \$120,000.00 (real cost) budget for year 15, while standing at an exhibit booth ***continued page 2***

nothing to sell or give. No Gimmicks. Unknown to most: Yet, well recognized at KCM by the **BVOV TV** Testimony; **The Victory Magazine** article “NEVER TOO LATE” about Stacey & I (Jan 2023 edition), & the recent **Feb 10th KCM Blog** inviting KCM partners to partner with our ministry. **I had another issue.** Integrity, which turns out to have been pride. I was very concerned about receiving money at another ministries expense. I am very honest, transparent, & loyal. For that reason, I was hesitant to do the booth. “The Lord” had to correct my thinking about coming to “Kenneth’s meetings” & receiving money for “our ministry”. The Lord rebuked me. **He said, “Denver, you partner with KCM. KCM partners with you. BOTH are “MY MINISTRIES” and if,” I want” you to humble yourself to receive at a booth, then, DO IT- knowing it is for MY KINGDOM!” Ouch! Yes Lord.** I repented that pride. KCM’S staff reassured me it was okay to stand at the booth asking people to give unreservedly to one of Kenneth’s partners! We took the step of faith. We hosted the booth! **We are REJOICING at what THE LORD HAS DONE because of our obedience.** (How wonderful Kenneth and Gloria are!)

Now, we want to share **what The Lord has done1 Give you a few amazing testimonies that BLESSED US at the booth!** We were *amazed how many brothers & sisters & children* took the time to meet us at our booth at Southwest Believers Convention just a few days ago. **Signing up for our newsletters, & seeing our vision and Love for Uganda, they gave generously a large portion of the \$120,000.00 operation budget for year 15 of our missionary work in Uganda!**
We are inviting YOU long time co-laborers to complete what is left today!

Booth Highlights -There were so many!
First, our entire row of fellow exhibitors “each” voluntarily donated a set of their entire collections to our school. Our new friends & next booth neighbors - **Charles & Regina Rowe**, authors of “Adventures of Hank” @ [Facebook.com/adventuresofhank](https://www.facebook.com/adventuresofhank): (page 1 photo) gave each of our students “an entire 7 set series of their books plus a carry bag!” *Our school previously, had no library.....I mean I cried with joy.*
Peggy Teague, the next booth neighbor/friend: *Teague Fine Art, www.peggyteague.com*, donated an entire set of her prints of the “Seven Covenants” paintings she hand-painted. These beautiful photos, our first, for our Bible School & Christian School.
Bridget & Sherman Smith, authors (next booth): www.bridgetbuildscharacter.com gave the entire collection of animal scripture wall hangings. *I/we love these!*
Secondly, “THE CHILDREN” BLESSED US deeply. Drawn without solicitation to the booth, individually, at different times: *Skylar, Jael, Abigail, Jasmine, Gabriella, Rebekah, Jeremiah, & Michael* came to give. I was especially amazed how the African American children were just magnetized to us. Each got a big hug from me! Each had a giving heart. **Two stories I will share.** 1) Skylar-intrigued by the picture of Stacey & myself with the Uganda school kids, asked,” could I give something to help?” I answered, “Yes, do you want to give cash?” (She was like 8 or 9). She said, “No, I have a card.” “Oh,” I said. (Very surprised). I asked, “How much do you want to give?” She answered, “I have \$1.50.” *It made me think of the widow giving “ALL SHE HAD”. I couldn’t help but hug her.* **Then, there was, JAEL.** Her SMILE immediately won my heart. Jael’s uninhibited open - hearted bundle of joy *made my day!* Here I am, standing there believing to receive \$120,000.00 to get the job done, & Bam! I am reminded, **“Yes, it takes money, HOWEVER, it’s the people. Not the money that counts.”** The few minutes talking with Jael left me on cloud nine. She put in her cash offering, yet, left Denver with love from a new granddaughter. Topping it off each of these girls came back separately on Friday night to give me a hug before going home!!!

-There was the female Chinese Rhema student, who stood in front of me and prophesied,” I will teach at your school in Uganda when I graduate.”
-There was a father & mother & four teens that talked to us early in the week. They left without giving that day. Friday, they returned. The dad told us that his daughter, Gabriella (maybe 14 years old), wanted to sponsor a Pastor for \$200 to attend Bible College; she didn’t have \$200 in her piggy bank yet, kept after him all week about giving! Telling him she would pay it back. Further, Gabriella motivated her sister & two brothers to join her also. **WHAT AMAZING FAITH!** That family sponsored 2+ pastors. The following Sunday at home in Alaska, we watched EMIC’S service on **YouTube**. The LORD already began to multiply back the seed of these teens. On TV I saw them sitting on the front row as, Pastor George preached. He was pulled to give Michael a \$100 bill during his message!

WOW! THE BLESSING IS on those who faithful give to God’s servants. Hallelujah!
- **Remember our prayer based on 2 Corinthians 16:17?** Asking to make up what was lacking? Praise the LORD! Our, “Fortunatus” & “Achaicus” did that this week! To begin, he handed me a debit card saying he would give 25.... **see page 3**

I smiled asking \$25 dollars? He replied \$2500.00. After Stacey explained everything, we were doing in Uganda this year, his wife was still quietly standing there after he had made the transaction. I asked her if she had any other questions. She answered, “I was thinking I would write a check.” Smiling, in my spirit I knew yet, didn’t exhale. She handed Stacey the check for the entire cost of New Latrine Building & the two classrooms on the second floor. Unable to hold back, we shouted and did a VICTORY LAP!! A few days later I saw them approach us again. They returned to write a second check for new ministry vehicle, adding more than we asked! All paid in full by this wonderful, kind, loving, generous couple in just two strokes of pen!!! Stacey & I shouted! WE danced! We Ran! We praised God with all of our voices!

This IS a BIG BLESSING! THANK YOU, “Fortunatus” & “Achaicus”!!!

--Together, with others the third project was received in full! The Roof for the Bible School Patio, HALLELUJAH!

The greatest miracle MADISON Was BornAgain!!!- On Saturday after taking the booth down, we went out to eat at *Cheesecake Factory* (our first opportunity the whole week). We hosted friends. I asked our 6’7” waiter what his name was. He said, “ANGEL”. Time passed quickly, as we ate, “Madison” came over saying that” Angel” was busy & asked her to check if we needed anything. As she picked up a cup for re-fill, I asked her,” **Do you know JESUS?**” She answered, “I have heard of HIM.” Asking if she wanted to personally meet him, she responded she did. I explained Jesus was The WORD of God-God’s Son; WHO became a man; took our place on the cross paying for our sins with HIS BLOOD restoring us to HIS Father.” She listened intently, as ANGEL walked by taking the cup from her hand to re-fill it without interrupting. That day an ANGEL sent Madison to experience THE PRESENCE, as, she invited Jesus into her Life as Saviour becoming BORN AGAIN! **“Making God Rich!”**

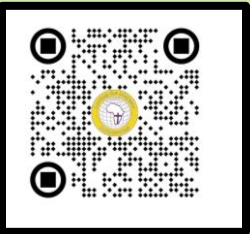

HOW YOU CAN BE PART TODAY?

---Three Amounts remain to be funded for our return to Africa in the next few days:

- 1) The MINISTRY BUDGET- \$51,585.50 is needed to** cover transportation, housing, food, & everything we do as a ministry to BE A BLESSING to the people & staff. Your faith sown seed is welcome. It’s your opportunity to increase!
- Also, please pray for a new partner, one who has a private plane willing to partner with us & fly us from Alaska to Africa. Then back six months later. I am 64, After working hard each day for six months in Africa, the long 48-hour journey home & airports is the hardest part of going to Africa. Miracle? Is anything too hard for YAHWEH?
- 2) THE SECURITY WALL – This year we need to finish 160 feet at a Cost of \$5,680.** Some sections currently, temporarily, have chain-linked fencing; while other sections have already been completed with permanent 8-foot-high cement block walls. In the future, the chain-link areas will become block walls as time & funding allows.
- 3) BIBLE COLLEGE STUDENTS** - The Final Project to be funded is scholarships for 18 more pastors to attend Bible School at \$200 each or \$3,600 total. This covers transport to the school, housing, breakfast, lunch, classes, notebook, pen & a Bible. Most of these men & women just don’t earn enough yet to attend. Your gift is eternal.
