# RING OF LIFE

BY DENVER URLAUB,  
CALLED TO THE NATIONS BY JESUS CHRIST

**"In whom, the WHOLE BUILDING being fitted together, grows into a HOLY TEMPLE in the YAHWEH (The LORD), in WHOM, "YOU" are being built together for a dwelling place of GOD ELOHIM in the Spirit."** Ephesians 2:21-22 NKJV  
Ever want to do something, yet, think you never will? Since the early years of my life, I admired the pioneers, who explored America. Their adventure in covered wagons, and frontier life intrigued me.

Laura Ingles and *Little House on the Prairie*, as well as, Abraham Lincoln walking miles barefoot to borrow a book to read in front of a roaring, warm, cozy, fire late into the dark night in a drafty log cabin; promised adventure that quickly led a young boy to dream of being a modern-day hero. Daniel Boone and the Kentucky Cumberland Gap frontier filled with Indians; or, Davy Crocket's *"Remember the Alamo"* shaped my imagination. I was, always, quite the serious boy. Foolishness never had a place in my heart. I had something serious to do. Always practicing to be better. Striving to excel, or improve.

My dad worked in the woods until I was five. Then, he sailed on Great Lakes freighters the next 33 years. Having worked for my grandfather in the family sawmill, dad received an engineer's license on 700-foot ships. He was usually "out to sea". We saw him only a few hours a week, if that, when his ship was in port - unless it was his four-hour swing shift to work. I remember, "once", he played baseball catch with me in the yard.

"Once", he boxed on his knees with me on the floor, as, we listened to a famous Cassias Clay (Ali) match.

"Once", dad came to my little league game. I was the hero hitting a grand slam home run after a rain delay to win a walk off victory. Out to sea, Dad was not present to see me receive the MVP trophy that year.

"Once", when I was about five, while he still worked in the woods, my dad took me to a CINEMA.

The movie: "ALASKA: The Last Frontier". It was the first movie that I had ever seen. It may have been his first, also. Cinemas only showed on Tuesday & Friday nights back in 1968. I watched spellbound, as, animals that I had never seen like moose, Dall Sheep, & Polar Bears roamed the wilderness mountains and ice on the last frontier. Alaska seemed a million miles away. The end of the earth. The Uttermost.

Dad did not watch much television. We only had black & white TV until 1968 when our favorite baseball team -The DETROIT TIGERS - won the World Series in seven games over the St. LOUIS CARDINALS. Dad, mostly, enjoyed: The Honeymooners, Green Acres, The Beverly Hill Billies, & Lawrence Welk on Saturday night. EVERY Sunday night he was home, we would watch lions & tigers roam AFRICA'S bush on "WILD KINGDOM".

For some reason, I always wanted to build a log cabin or log house. Never, did I believe I would do so.

After Stacey & I got married, we decided to move to Alaska from Michigan just for the adventure. Michigan's five bedroom, two & half bath, walkout finished basement, ranch house had taken me 110 days to build from the day the basement foundation was dug until the day of occupancy. Privacy & seclusion allowed deer & turkeys to walk right past the nice sized deck on our five acres lot, which was surrounded by an 80-acre wood

and two farmers' corn fields.

It was the good life. A 1995 Camaro T-Top Convertible, a Buick Rivera, and a Chevy Silverado Truck filled all but the workshop of our three-car garage. Top Ten ranking sales awards, both for revenue & new sales, covered my independent contractor office wall. Often, business trips sent us to New Orleans, Nashville, or Los Angeles.

One day in 2004, while we were living in Rockford, Michigan, Stacey asked me, "Where do you want to move to?" as she walked in the door from working at Consumers ENERGY. I was painting the stairway. Without delay, I replied, "ALASKA." To my surprise, she answered, "I always wanted to live in Alaska". Two moving sales & about four weeks later, Aaron, Stacey & Denver had sold everything we owned, except, what would fit into the bed of the pickup under the topper. Over a 17 day drive, we began the Alaska adventure sight unseen! Aaron set the course at 8 years of age, when Michigan school friends innocently asked him, "When are you coming back from Alaska?" Aaron replied, "There is NO back from Alaska!"

It would only stand to reason, then, that our first Christmas in Alaska, Stacey's gift to me was a book entitled: "Building the Alaskan Log Home". While renting two years in the Fairbanks area, our many hunting & fishing trip adventures were filled with dreams of things to come: property, and, a log home. January 1, 2007 at 20 degrees below zero Fahrenheit - inside - our small stick built 24' x 24' insulated cabin on ten acres we moved into our "temporary home", while "The LOG HOUSE" was finished!

Over the last 11 years, Stacey & I have cut down the trees for the house. Most from 20 Acres on 4 lots we purchased for the trees, because the land was less expensive than the cost of logs. Some logs came from helping open road ride-a-ways for others. Some from the State of Alaska deciding to

add passing lanes very near our house ½ mile away. All the trees had to be fallen, limbed (brushed), and moved to our building site with our four-wheeler & sled built for the job. All had to be peeled with a draw knife to remove the bark. Peeling progress increased dramatically, once we realized that "spruce beetles" were drilling into the sap of the wood laying eggs weakening, even, destroying logs. Several times, we realized, we did not have enough logs for our design. Once, our calculations in Excel spreadsheets determined the diameter of our logs would not rise to 9-foot wall heights. Both these led us back to cut more logs repeating the whole process. Once, we began, there is NO QUIT! Those words are not in our vocabulary.

Amazingly, Stacey did most of the peeling with some help from Aaron, while I began scribe fitting each of the now finished 337 logs to date. I don't have time to speak of the gravel pad, or the 31 cement foundation & risers that we poured by hand without a water well. Nor, of the steel beams or BCI/TJI floor joists covering a 50'x 50' area prior to row one.

***What spiritual value does this have for this article in "KLETOS"? I am glad you asked. I want to focus "KNOTT" on the beauty of the house (Isaiah 61:3,4, & 7); nor on the builder, who has more honor than the house (Hebrews 3:3); Instead, I want to focus on the "KNOTTS" in each log!***

Stacey has given hours, days, months, & years to assist Denver on our dream home. We have built cash to date. We have no debt- other than a truck we intend to sell before returning to Africa in October, so, the payment won't burden the work of Jesus, while we are preaching. We started cutting logs the Summer of 2007. The first log "FITTED" on the house began six years ago - 2012. The first two years, I used only a chain saw, scribe, ax, hammer and hand chisels. Then, I learned of grinders with sanding disks. In the beginning, we used a come-long to racket up the first log. Then, added gin poles, & booms logs to lift, held in place by ropes. Our power source, a single marine battery. That gave way to a wench powered by a four-wheeler, which all went away when God blessed us with the purchase of a 22,000 lb. BOOM TRUCK. Now, we have the POWER, and the TOOLS "to get 'er done"- the GLORY.

Each log varying in length from 50' to 6' for window sections, has taken on average about 8 hours each to plane, scribe, carve, and perfectly (join) fit together. Little did I realize, God, would begin speaking to me

as, I built. He showed me the strength of being “FITLY JOINED together” at each corner. He showed me that logs on one wall would NEVER touch or see logs on the opposite side of the house, yet, each was part of the whole house. I cannot teach each spiritual principle The Lord showed me here. I do want to focus on the KNOTTS.

In “Life” there is NEW GROWTH (dreams, hope, vision, desires). You can count the age of a tree by the RINGS on its stump. However, the growth stems from the SOURCE or ROOT (LOVE HIMSELF). Many opportunities flourish into LIMBS that BRANCH out for new fruit for increase & harvest. The leaves collect moisture & sunshine strengthening the tree. BEAUTY STANDS TALL, BRIGHT GREEN, ALIVE, bringing joy to animals & people alike. Something happens when the branch is cutoff (unplanned events) of the tree. To save sap & “STOP THE BLEEDING” a KNOTT FORMS blocking the life flow of that tree preventing death. Knotts are designed to protect the supply of sap, which is the oxygen, breath, & heartbeat of the tree. In the same way in our lives, people experience unexpected events that were not part of their design or plan. Events like divorce, adultery, unfaithfulness, lies, death of a child or spouse, loss of a career, or an accident. When these occur suddenly without recognition a KNOTT forms over our spirit to heal the flow of our life force to save us and keep us alive. As time passes they become memories, some bitter, some sorrowful, some grief. The longer they seal off those hurts the HARDER they get, until, they become permanently a blockage our life must flow around. When working on a log, the most strength required

is not to lift it. The power necessary to remove a KNOTT is greater than any other carving done to the log. KNOTTS are almost impossible to knock out with a single blow of a hammer (likened to a single word of comfort for our hurts or losses). Knotts resist the sharpest chisel cutting, blow after blow, (likened to psychology, religion, or philosophy repeatedly administered in therapy attempting to heal our emotional hurts by soulish efforts). Knotts almost always require the power of the chain saw (THE LIVING WORD of GOD) cutting thru the middle of the KNOTT to break their stronghold. Even then, the chisel may have difficulty removing enough of the KNOTT for the log to “FIT INTO PLACE” with the log beneath or above it.

***Hate, unforgiveness, pride, & bitterness, so, grip our hearts over the losses of our hopes in life that even God’s Word will not release what, “WE”, will not let go of. That is the power of the KNOTT.***

the building, ethnicity, culture, position in life, and most often, by our own failures, or disappointments that we will not forgive ourselves or others for. The Holy Spirit is grieved or hindered in our lives, when, we let the poison of bitterness, wrath, anger, malice enter our minds memory at the thought of the past incident. Loud quarreling, or evil speaking of others, gets a place in our mouth, & rules our spirit & thinking; instead, of forgiving one another in kindness, even as, God forgave, "US" for Jesus sake- ***Ephesians 4:30-32. Philippians 3:13-14*** teaches us to forget those things behind, both failures & personal accomplishments, in the natural flesh world. Forgiveness is, also, "forgetting" those things, which are behind freeing our spirits.

Stacey & I have about 50 more logs to finish removing KNOTTS & FITTING together to complete the second level. Then, Stacey & I need windows, steel roofing, flooring, & appliances to complete the beauty of this house that is being built for "our" dwelling place, as, "the temples" of GOD.

I began writing this article with a trip down memory lane, because we are influenced in life by parents & events from our early years. Both Alaska & Africa are now part of our lives in the present day as results. When Stacey & I answered Jesus call to leave houses, lands, fathers, mothers, brothers, sisters, sons, daughters, grandchildren, for Jesus sake and The Gospel, we believed Jesus Word that leaving all eleven years work on this house, as well as, 21 years of successful 6 figure business income will result in the hundred fold return HE PROMISED ***Mark 10:29. Hallelujah! We are BLESSED!***

***YOU are ONLY LIMITED  
by what you refuse to allow to heal.***

My dad once told me, "Son, if you ever want to be a preacher, I will pay your way." I suppose he meant pay the way through Bible College.

I graduated NCU in 1982, at age 19, a licensed minister with a four-year degree in Pastoral Studies & Minor in Psychology & Minor in Philosophy. Apparently, he was not speaking of the cost that comes in life from "KNOTTS".

I love my dad, who is now 80 years old, and still lives in my childhood home. Apparently, dad had a dream himself, of being a pastor that he never lived.

***It is my testimony, THAT JESUS HAS PAID THE COST  
whatever your KNOTTS. JESUS FORGIVES. JESUS HEALS.  
JESUS builds the house - even the one that was broken.  
Jesus repairs and removes the pain. He replaces it with  
HONOR, BEAUTY, JOY, & warmth. He loves YOU.***

**How do I know? HE died for you.**

**HE** suffered death. **HE** tasted death for every person in our place. **HE** paid Adam's penalty for high treason - SIN! **HE** conquered the CROSS – our judgement. **HE** overcame hell & the grave- our prior destiny. All to give life to our KNOTTS.

All, so, "**WE**" could BE A DWELLING PLACE FITTED TO GOD, WHO IS SPIRIT, & WHO IS LIFE – CHRIST (the anointing) IN "**YOU**" THE HOPE OF GLORY! Receive the healing power for every disappointment, mistake, failure, & wrong of your life today.

**Pray with me:**

***"Jesus, I hurt when (name or confess your KNOTTS)

because you were nailed to the cross in my place.  
I receive the healing price of your Blood for my  
freedom and joy. You endured that cross for my joy  
set before you. I take it now. Thank you, Jesus, for  
forgiving and restoring me emotionally, physically,  
spiritually, & financially. Your Father is now my  
Father. I take my comfort and new life. I give you my  
KNOTTS for your nails. I forgive. Amen.***

# LOVING THE MAJESTY MINISTRIES FAITH PROJECTS

Loving the Majesty Ministries is currently involved in **THREE** different projects listed below:  
(at various stages of completion)

**NEW CHURCH BUILDING**- Pastor George's believers, currently, meet under a shade tree. George has been faithful to attend for four years our pastors conferences. He even traveled to Katogwe to attend last year.

We held our first children's crusade in his village 2017. Over 200 adults & children attended the final day.

***We are currently purchasing bricks for the church to seat 300 with a steel roof. Cost \$3000.***

**KATOGWE WATER WELL** – Pastors Valentine & Eunice have taken in 25 orphans, and many widows.

They have 9 children of their own. They have no other outside support in this remote village of Uganda.

This is our sixth year working with them. They are honest people.

***We have completed the separated men/women 9-person shower house.***

***Now, it is time FOR WATER TO FLOW! The entire village area only has one water well (borehole with hand pump) the only clean water source. Cost to drill well, set holding tank, with solar pumping is \$15,000.***

**KIYUNI NEW CHURCH ROOF**- The new building is complete & ready for the steel ROOF!

***Two-thirds cost for trusses & metal roofing has been raised. Completion Cost \$900.***

## THE BLESSING

BY STACEY URLAUB, SENT ONE OF JESUS CHRIST

***All these blessings shall come upon you, and overtake you,  
because You obey the voice of the Lord YAHWEH your God ELOHIM***

***– Deuteronomy 28:2***

Denver and I arrived in Katogwe, Uganda to discover that our "cook tent" was set up just a few feet from where Pastor Valentine and his wife, Eunice, were keeping their pig tied up, who was due any day for her second litter. They were excited with anticipation. We found ourselves less excited than they were, as, the other pigs in the village, who were not tied up or in pens, always came waiting an opportunity to get a bite of her food, whenever, possible. They dug in the dirt kicking up dust that blew directly into our cooking area. They drew an excessive number of flies, as, we tried to prepare and eat our food. Some of the pigs even destroyed our shower tents in search of water. During our time there, we witnessed the blessing of the Lord in the lives of this pastor and his family - the pig gave birth to a litter of 13 baby piglets. I'm not sure I've ever been, as, excited about pigs, as, I was that day. Most pigs in Africa give birth to a litter of 4 to 6 pigs. Each one of those pigs will put one of the pastor's children in school for one term. He currently has nine of his own and twenty-five orphans that he is raising. Thirteen piglets was abundant over flowing prosperity. It was The BLESSING of the LORD in the country (**Deut. 28:3**). It was The BLESSING of the LORD on the offspring of his flocks (**Deut. 28:4**).

Arriving in the village of Buwero, the pastors' 98-year-old father was very ill. He was bed ridden. Many awaited his death. Pastor Eleazar had been praying for his healing and came to us asking for us to join him in agreement. The next day, his dad was up walking. Slowly each day afterwards, we began to see him regain his health and strength. He is still walking today. All sickness and disease is under the curse (**Deut. 28:61**), but this man getting out of his bed was redemption from the curse of the law, so, that The BLESSING of Abraham might come upon (him) the Gentiles (**Galatians 3:14**).

One of the main food sources in Uganda is sweet potatoes. They aren't what you and I consider a sweet potato. They aren't really sweet at all. Some are somewhat gritty in texture. Many days, we will see people digging in their garden searching for enough for a meal for the day. Most will only eat that one meal. Sweet potatoes will continue to grow and multiply, if, they will harvest just enough for that day's meal. Many areas of Uganda had been experiencing drought for about three years. It was the common statement we heard at every village; "we've been in drought". Yet, when Loving the Majesty Ministries arrived the rain began, and the harvest of the fields increased. This is prosperity. This is The BLESSING of the LORD with rain in its season (**Duet. 28:12**) and in the produce of the ground (**Duet. 28:11**).

When I hear someone speak against The BLESSING of YAHWEH, as if, it is something evil rather than the goodness of God, I realize they have never truly looked at poverty. Really, what they are saying is everyone should be "middle class Americans". I believe in The

BLESSING of the LORD. I believe the LORD GOD, gives power to get wealth that HE may establish HIS covenant (**Duet. 8:18**). I also believe that HE gives you that power, that you may be a blessing to those around you.

***Whoever, shuts his ears to the cry of the poor will also cry himself and not be heard – Prov. 21:13***  
***He who, has a generous eye will be blessed for he gives of his bread to the poor – Prov. 22:9***  
***He, who gives to the poor will not lack, but he, who hides his eyes will have many curses – Prov. 28:27***

The BLESSING allows you to be a blessing to those around you. God never intended for His people to be selfish, but that we would be full of compassion and love as HE is LOVE. Shut not our ears to the poor, but feed the poor; look after the widow and the fatherless (**James 1:27**). **Ephesians chapter 4 verse 28** tells us: "each man should labor, working with his hands what is good, so that he may have something to give him who has need."

***The average wage for the members of Loving the Majesty Ministries team is \$3 per day.*** Many times, in Africa, only one or two members of a family have a job. That income is used to support all members of the family, who have need (mother, father, aunts, uncles, siblings, cousins). ***Honestly, the team should make \$10 to \$15 per day;*** but they have faith in God and minister with us to their people accepting what we currently have available to give them. ***For most Americans, \$3 is earned in the first fifteen minutes or less of the job each day.*** Instead of spending it on ourselves, first, and giving to God "if", we have any left over. What if, we did what God said, "Work so that we may have something to give to him who has need?" ***What if you committed those first fifteen minutes of your work day to God, saying "I will give"?*** The LORD's promises are that, if, you would give to these in need, HE would BLESS you. You would not lack.

***I'm asking for eight new people, who would commit those 15 minutes each day to God, working to give to cover the salary of one Loving the Majesty team member. I'm asking you, not only, to give those 15 minutes of your work salary but also to spend that time praying for them and for their family.***

***Let each of you look out not only for his own interest, but also, for the interest of others – Philippians 2:4***

### **HOW DID LOVING THE MAJESTY MINISTRIES ADOPT TEXT to GIVE?**

While attending South West Believers Conference 2018, I began to write out an envelope:  
filling in our name, address, & debit card number, & signature with our amount each offering.

On the Big Screen (for two years), was TEXT TO GIVE instructions.

My phone in my pocket: "IT MUST BE TOO HARD", I thought.

So, I would wait for the ushers to pass out the envelopes. Wait for people to pass them down the row.  
Then, RUSH to write out the envelope before the bucket came by barely accomplishing the goal.

One day, as, Keith Moore was receiving the speakers offering, I thought, "What is this Text to Give?"

"NEW" to the TEXTING world. I DID IT! I texted the 5 digit number on the screen.

Instantly, I received a link for my information that I was ALREADY hand writing (formerly) on envelopes.  
I keyed the requested data. It saved my information. A text asked for my Keyword. Typing the one listed on the screen I received a reply "how much do you want to give?" I texted \$50 (enter). Immediately, I got a thank you message & receipt by text. I was done giving before the ushers even began to pass out the envelopes.

NOW AT OFFERING TIME: I grab my phone, Text to Give & am off to the rest room after the prayer!

BEFORE THE ENVELOPES OR BUCKETS are even PASSED.

**WOW! I thought! LOVING THE MAJESTY MINISTRIES NEEDS TEXT TO GIVE!**

# FAITH MINISTRIES HIGHLIGHT “JESUS GOES TO NASCAR!”

Stacey & I heard The Words of Jesus: Mark 10:29: *“Assuredly, (I tell you the truth) there is no one, who has left house, or brothers, or sisters, or father, or mother, or children, or fields (jobs) for MY name Sake and the Gospels, who shall not receive a 100 fold now (in this present time) Houses, & brothers, & sisters, & mothers, & children, & lands with persecutions, and in the Age to come Eternal life.”*

After 21 years, as a high paid salesmen, I heard The Holy Spirit speak “This IS THE KNIG of the UNIVERSE speaking. You can take HIS WORDS to the Bank.” Stacey & I, believe & trust Jesus Words. We left our independent contractor business to preach the gospel since 2013. One morning, I awoke inspired to unify

the Body of Christ by promoting other ministries, esteeming them alongside ourselves. Apostle Stacey latched onto the idea, “KLETOS” magazine was birthed. In this section, we Highlight “OTHER” Faith Ministries, who act on Jesus’ Words by going into the “Highways & Byways”. Loving the Majesty Ministries “Tithes” (10%) of all our undesignated donations into GOOD soil, as, twice sown seed. This month, we Sow Seed with our Feature article on “RACE TO VICTORY MINISTRIES”

## JESUS GOES TO NASCAR via RACE TO VICTORY MINSTRIES

*“If you don’t lay hands on him and pray for him, He will never leave here alive!” the Holy Spirit spoke to Ray Gossett.*

Ray & Leslie Gossett pursued their passions to live an American dream life. Born Again, Spirit Filled, Word of Faith believers, Ray & Leslie live in Beaver Falls, PA. Ray owns Great Outdoors Landscaping, & likes to deer hunt in the mountains of Pennsylvania. Leslie, Ray’s beautiful gentle wife of 25 years, sells skin care products to support the ministry. Mary, 17, their daughter, is a junior in high school.

In 2011, a vision was born in Ray’s spirit, as, he prayed, to combine his passion for fast cars, & his certification, as, a PORSCHE driving instructor with his faith and love for JESUS. Alone with The Lord studying his Bible, the WORDS of **1 Corinthians 9:24 & 25** became Rhema (the personal bread of life). **“DO you not know that those, who run in a race, all run, but one receives the prize? Run in such a way that “YOU” may obtain it. Everyone, who competes for the prize is temperate in all things. Now, they do it to obtain a perishable crown, but WE, for an imperishable crown.”** Putting passion with desire, Ray trained, as Chaplin, under **The National Fellowship of Raceway Ministries.**

Beginning his Chaplaincy at the 1.6-mile Beaverun Motorsports road course, Ray prayed “The Invocation” - opening prayer for safety- before the famous awaited words of all drivers & race fans everywhere: “Gentlemen, Start your engines!” Ray participated driving & serving drivers at FLASHLIGHT DRAG RACES. An event closing an airport run way to DRAG Racing. Ray held 15-minute Bible studies at the drivers meeting of each race. Before each event, **RACE TO VICTORY MINISTRIES** sets up a refreshment booth for fans, & ministers to children using a six-lane plastic HOT WHEELS race track. Children race the hot wheels cars themselves, fantasizing they are actual drivers of the race being attended. Ray allows the kids to keep their car, if, they desire, as, he ministers JESUS to them in a message from God’s Word.

Several years ago, **RACE TO VICTORY MINISTRIES** for Jesus increased rapidly when Ray became weekly Chaplin at Pittsburg, PA Motor Speedway! As supply lasts, Ray ministers to fans giving the highly desired NASCAR SPECIAL EDITION BIBLE, which includes christian testimonies of well-known drivers. Regularly, Ray ministers one on one “the real race of life”. Witnessing of The Victory Lap where Jesus finished First Place for us. While working side by side with pit crews & changing tires, He gives Bibles to crew members. Once, a female driver very seriously rolled car & was taken to the hospital for observation. Ray assisted her father loading her damaged car onto the trailer.

Since, most fans come back year after year, Ray, as Chaplin, has developed many long-standing relationships with fans, many children, & the drivers, themselves. His strong testimony & witness for JESUS CHRIST prompted invitations to perform two driver’s weddings, & two funerals, in addition, to: The Opening Invocation; Drivers Meeting Bible Studies; and children’s ministry.

“Tell us about the funerals, Ray,” I asked.

Ray responded: “The first was a race fan who was Jehovah’s Witness. He died at the track. His family desired the funeral at the location, however, the Jehovah Witness Elder did not show. So, they ask Ray, as the Chaplin, to officiate. Ray stated, “Half the attenders were Jehovah’s Witness. The other half were Untied Methodist. I preached Jesus & gave an invitation to receive HIM.”

“The second funeral was for a man I had been witnessing to. He regularly attended the races. I spoke three hours to him. He proclaimed: ‘Almost you persuade me.’ The next a day a lady led the man to Christ. One week later the man died.”

“Have you ever raised the dead?” I half-jokingly questioned. “Yes.” Came the reply.

Here at Pittsburg PA Motor Speedway dirt track (as our article began) JESUS used RAY to LITERALLY raise the dead! A race event had just ended. People were leaving out the main gate, when Ray saw firemen running toward the exit. Following quickly, as far as the roped off area, Ray initially thought someone had been struck by a vehicle, but later realized it was actually a fireman down. EMT’s were giving CPR & Oxygen to the unresponsive fireman. He was not responding. The ambulance attendant declared: “His eyes are rolled back in his head. There is no breath, or pulse.”

***“If you don’t go lay hands on him to pray for him,***

***He will never leave here alive!” the Holy Spirit spoke to Ray Gossett.*** Once CRP is begun, it is required to be continued until pronounced DOA by qualifying physician at a hospital. So, Paramedics continued without hope stating, “He is gone.” ***Crossing the tapeline, Ray laid hands on the feet of the fallen hero; speaking THE WORD, as, The Holy Spirit gave utterance verse by verse, while EMT’s continued attempts to resuscitate the man.***

***Breath re-entered his lungs. A pulse resumed.***

***Raised from the dead, the fireman gave a thumbs up, as, he was wheeled into the ambulance.***

***The EMT declared, “I have NEVER SEEN ANYTHING LIKE IT IN MY LIFE!” as the formerly dead fireman talked all the way to the hospital. Upon arrival doctors said, “It is a miracle! You had a massive heart attack. You have a 95% blockage in your main artery & 60% in a secondary. You should have major heart damage, but there is NONE!” Two weeks later the fireman returned to attend the dirt track races.***

That hits close to home, Ray. I, Denver, myself was healed of the same 95% /partial in 2011.

The last 6 Years ***Race To Victory Ministries*** increased ministry by traveling to ***NASCARS WATKINS GLEN, NY 2.6 mile Road Course***. Setting up in the campground a refreshment tent with coffee, & snacks each having a Bible verse on them. Ray holds two Sunday morning church services: one in the campground; & one in the grandstands.

The kids race on his hot wheels track. Several women, who have been drugged & sex trafficked at events have been rescued helping them get back to their families.

# WHAT WAS, WHAT IS, & WHAT IS TO COME

## BY DENVER URLAUB, CALLED OF JESUS THE ANOINTED ONE & HIS ANOINTING

When Stacey & I first went to Africa six years ago, we knew no one. Our only contact was a 10-year-old orphan boy: Oliver Duku. Oliver wrote thanking us for sponsoring him & requesting that we visit him. We had never been to Africa. I had no previous desire to go. I was happily employed 18 years, as, a successful independent contractor sales/consultant. My fellow workers said, "Denver is living "the dream". Yearly, I received top ten sales awards for revenue & new production, Stacey & I were hunting, fishing, with travels from Mexico to Hawaii

to Alaska. We owned our property debt free. We were building our dream LOG home. I won't take the time to detail my past. It is, too, long a story. Successes, and failures. I believed "The LIE" that God did not love me, & that I could not be forgiven. We made money. We did what we wanted. Like many, we would say, "We believe in Jesus." Our life was good, but it was, also, full of pain emotionally & physically.

December 8, 2011 a heart attack nearly took my life, requiring a stent for a 95% blockage. I was 49. As, my father, now says, at age 80, "Money means nothing, if, you do not have your health." GOD spoke to me during recovery after leaving ICU: "I love THOSE PEOPLE. I Love YOU, LIKE I Love JESUS! I need You, Denver, to Love those people like I LOVE THEM!" Then, one by one, HE began stripping my prejudices. GOD showed me that most "ISSUES" I had with groups, races, or others had NOTHING to do with ME. I had TAKEN UP offenses, from times, often, before I was born. GOD set me free from my prejudices. Then, GOD asked me a question: "Do you get Kenneth Copeland on that Direct TV of yours?" I replied, "Kenneth Copeland? Is he still alive?" Having heard him preach "ONE time" in 1979, he said that "WE are seated with Christ in heavenly places." We began to record BVOV TV broadcasts watching daily.

A few days later, GOD spoke to my spirit again: "Denver, YOU, will NEVER be good enough, as long as, you KEEP TRYING. However, IF, you will put your TRUST in what "MY SON" has already done; you will

be accepted in the BELOVED!" Then, one morning awaking me very early, The Holy Spirit taught me, one word at a time, what JESUS DID on the cross. I wrote it down. It filled the entire page. I still have it. I call it: "Crossroads: The Finished Work of Jesus Christ". I began to study the Bible to see, if, it was correct. I wasn't thinking about preaching it. I had not preached in 25 years; since, I graduated in 1982 at age 19 from NCU, as, their youngest graduate with a four-year degree. I thought this was only for my

relationship with Jesus. I did not call myself anything like pastor, or apostle. I was simply a follower of Jesus Christ. We had no ministry, no team, no equipment, no place to preach. Just our Bible & a hunger for the LOVE of GOD. We wanted to KNOW what God thought about US. **That is what WAS.**

*I see Africa  
won to JESUS!*

**What is now**, begins the seventh year of full time ministry in East Africa. Stacey & I have preached in 10 nations on four continents. Just over 2000 people have received Jesus, as, we travel from village to village patterning our ministry after Jesus-- see **Luke 8:1-3**. In 2013, we founded **Loving the Majesty Ministries** a public charity 501©3 in America & registered **Loving the Majesty Ministries LTD** in Uganda in 2016. God gave us 7-10 precious African team members, ages 20-30+, men & women to train, as, our staff & interpreters. Claude, from Kigali, Rwanda, is fulltime **Operations Director**. He began at \$100 per month three years ago, now makes \$150. We just hired Mukwano Peter, as, Accountant & Interpreter \$100 per month. He will join us full time after graduating University spring 2019. Other team members serve as cooks, children's workers, & travel with us when we are in Africa. Now, we have upgraded our generator, speakers, mixer, & microphones. It is time to upgrade, again, as audiences have grown.

Six years, Stacey & I have preached one week - all day- pastors conferences in 17 villages in 9 languages. These dear pastors love Jesus. Most have NEVER had any schooling, or Bible School. They may not

even own a suit, or a Bible in their own language, if they own a Bible at all. They have suffered poverty, witchcraft, & muslim challenges. They love Jesus & people, but just do not have the teaching of the Word of God to do spiritual battle against the kingdom of darkness. Five years, we have taught over 1000 children raising up the next generation to "HAVE FAITH IN GOD" in five different villages. Stacey & I have nearly died from malaria. She has had typhoid. We have been attacked by thieves, who tried to beat us. Army helicopters have flown over our tents & we have been surrounded by soldiers wanting to arrest us for preaching. Police have chambered shells in their rifle pointing them in my face because of the gospel of Jesus. Currently, we battle a shipping company for our property, vehicle, & trailer, which threatens to consume our finances. A poisonous snake was killed one foot from me. A storm damaged equipment. Heat, dust, and many other discomforts have abounded, as, the GRACE of GOD and His Glory descended on our preaching healing many, saving others, and filling them with The Holy Spirit. We are bringing them "UP out OF the MUD," quoting Pastor George. "These people don't give up" quoting Pastor Valentine.

**Loving the Majesty Ministries** has helped build or rebuild several churches, put roofs on others, floors in some, & built an orphanage a shower house. We have ministered shoes to orphans, fed widows, & encouraged pastors. ALL by FAITH, paying the team, while we went without what we desired to receive. JUST THE FACTS. **That is what was.**

**What is to Come** is about to blow the above, so far, out of the water that poverty will stand up, cry, &

leave. We see: Compassion increasing; The Glory of God flowing that the lame walk, the blind see, the poor become satisfied & increased; The devil losing his grip on the remote regions of Africa, while witches repent, & muslims receive Jesus, as, THE SON of GOD YAHWEH ELOHIM! HALLELUJAH! AMEN! We see a training center for pastors incorporated with a vocational tech school defeating poverty. We see tent crusades reaching the masses. We see children taught the Words of JESUS & eating the good of the land, until, they no longer cry themselves to sleep hungry. Until they no longer walk with head hung in shame for being orphan, because they understand: They are ADOPTED in JESUS CHRIST as HIS body to OUR FATHER! Glory to GOD! I see Africa won to JESUS! Wow! I have preached myself happy!

Recently, we showed partners a video of a pastor giving his testimony. He spoke about learning how to lead as a pastor & to have faith at our pastor's conference attended his second year in a row. One partner asked, "Is he a pastor?" "Yes." I replied. Later, pondering the question, I realized "why" it was asked. A vision began to develop in my spirit. I want our readers to understand that living on the ground in the deep villages for nearly six months each of the last six years, Stacey & I understand the difference between beggars, pretenders, & hungry souls. We know poverty cannot be erased by funding it, or just pouring in money. However, we have compassion. We preach Faith in God. GOD is the source & supply. We teach "we" are not that source. Yes, it costs money to do this ministry.

**We believe for 10 new monthly partners**

commitments each month. We believe for 100 people to partner with us by the end of 2019, rising to 1000. We will NOT pour money into poverty, but we WILL go, where others are not going, with The Gospel of JESUS CHRIST.

Our faith for \$12,000 per month ministry budget pays: the team, Peter & Claude; provides transport, & feeds children. Yes, it, also, encourages Denver & Stacey to increase to \$1200 a month personal support. However, "money" is so small in this life. People spend it freely, daily, on beer, wine, sports, vacations, & whatever they desire. Stacey & I will spend ourselves, & money in our hands for JESUS!

***We depart Texas November 5th, 2018 to Uganda!  
By Faith the plane ride will manifest.***

Our schedule has one week of necessary team & officials' meetings in Uganda, before, we preach two weeks in Kenya. Week one: a five-day pastor conference; Week two: a five-day tent meeting of faith & healing services open to the public. Then, to Pastor Wandela Joseph's village for the second year in the Open Square Conference. Last year challenging, yet victoriously, muslims were touched with the gospel there. Christmas Eve finds us with Pastor George for the Grand Opening of the **new Loving the Majesty Ministries Church building**- to be completed soon- & the Second Annual Children's Crusade. Then, we travel to Katogwe (to add Paul to the team for the fifth annual Children's Crusade) & to KIBAALE for the fourth annual children's crusade. January finds us in MUKONO/Kampala area preaching a Believers Conference where it all began, six years ago. Pastor Fred & Ruth will receive us in KIYUNI, Uganda for completion of their new church roof & the fourth annual Believers Conference & Children's crusade. Each conference is five days 10AM -6PM. Each Children's crusade is four days 10AM-7PM. By this time our Visas will expire. We travel Israel to rest two weeks before returning to Katogwe for the Sixth Annual Pastors Conference, followed by three-day revivals for each of three of the faithful attending pastors: Peter, Betty & John. We are praying about tent revivals in Kamuli & Kampala (new events). Burundi is calling our hearts, and we will answer, as, God opens the door!

**Here is what I would like to do this year:**

I would like to GIVE every Pastor a NEW BIBLE! Truth be known, I would like to give every pastor completing all five days: a new suit of clothes, or a new dress, new shoes, and new bicycle and a

NEW BIBLE. We would reward the faithful, who are hungry. We would love our brothers & sisters bringing them hope, spiritually, physically, & financially. We have come to LOVE them.

**Why a Bicycle?** None of these pastor's own a car. Most walk everywhere not having taxi fares. Many ride borrowed broken down bicycles. A bicycle not only allows water to be obtained quicker; It provides money from delivery of water jugs to others. Not only quickening arrivals, it produces income inviting riders, who pay to be petaled. One NEW bicycle cost 300,000 Uganda Schillings (\$100). I would like to give 5 at every conference this year! A suit costs about \$75 USD; a dress about \$40. One Bible costs \$20 USD. I would like to give 400 Bibles this year in the local languages.

Our plan is to begin. How we finish will depend on who & how many hear God speaking. We will not allow anyone to make "us" their source. However, we want to "Bless these pastors" many of whom have grown in faith paying their part of the food for the conferences. We want to raise them up with extra love & make them smile. We want to make HIS/our face shine upon them & Give Them HIS Grace. I am believing for \$4000 for each pastor's conference. We have seven.

By the way, I would like to give a NEW TESTAMENT to every child five & older. That is about 1000 pocket testaments. God knows the costs.

Moved when I read in the Bible about: Barnabas (Josés – Jesus' brother), who sold land and gave it; and Mary, who twice in one year gave A WHOLE YEARS WAGES for the love of Jesus. Since, Stacey & I would & have done these things. We believe GOD, is sending us partners, serious enough about HIS KINGDOM BUSINESS to do the same to make up the difference on what is lacking.

You Give what you cheerfully can without remorse. Give CHEERFULLY to JESUS for **Loving the Majesty Ministries** to reach the nations!

Then: there is fuel for the generator, car rentals, moving trucks, food for the children (we never ask pastors to cover those costs). After, all of that, We "say" we believe, we receive, in Jesus Name.

Now, we act on our faith by going to the nations. We will keep you updated in "KLETOS" month by month! Thank you for going with us!

# TOO MUCH LOVE

**BY Nyiranizeyima Vestine**

My name is Nyiranizeyima Vestine. Am Rwandan by Nationality. Am a widow, staying in Kigali, Rwanda in East Africa. Am, also, a mother of two daughters: “Dada” of 8 years old, and “Bébé” of 6 years old. The elder is in primary school 2. Her sister is in preschool.

I am a born again Christian. I fellowship in Christian Family International Church. I wasn't born saved. I was living my own way. Doing sins, cause I didn't know, too, much about Christianity and the Lord Jesus. I meet a man and we decided to live together, as, a couple, and build a family. That was a great day of my life, to found someone that I hope he loves me. We conceived two beautiful girls. Some days passed and we separated with my husband that was really a chaos to my life.

From the time I separated with my husband, I found no joy and no hope in me. I should work hard to take care of my daughters, but it was not simply easy cause I was jobless, and I have no education at all. One day, I decided to check on my life, because my husband was unfaithful. I made an H.I.V test. It found Positive. That shocked me so hard. Right there I was fleeing death, cause I didn't know that there is healing, as, an unbeliever woman.

But after getting saved, I joined my church intercessors group, The Holly Spirit comforted me well through the Word of God. From that time, I started believing in eternal live, instead, of believing in this temporary life, which has an End.

I was living for some short time at the church, but had to leave soon because they were to be using the room for Sunday school class. In 2016, I meet with a missionary couple from Loving the Majesty and their Team when they was coming to preach a week conference at our church.

The apostles (Denver & Stacey Urlaub) preached us on prayer and cross roads. We got touched and blessed by their messages, while I was busy taking care of cooking. I saw my little girls hugging Apostle Denver & Stacey. That raised our friendship. They visited us, and we chatted. We enjoyed having relations between I, my girls, and the missionaries couple. We found in Denver and Stacey too much love! The couple was full of love!

They went back in U.S. After a certain time, they started sending us some gifts of money to my daughters. We enjoyed, so much, and thank God for HIS love that donations helped me to take my girls at school.

This time my girls are very very well. Look they are doing well at school. The elder is having a good results at school, same as, her sister at nursery school. In our church, we do Sunday school for our kids. My elder girl is a nice singer, and her sister is doing Poems. They very excited with life. They pray with other children. They thank God, because of Apostle Denver & Stacey for their kind and love.

This day now, through loving the Majesty Ministries donations, I got wisdom, where I started a project of selling groceries in our Area. Am doing well. This project of mine makes me to pay my rent and am no longer fighting with my landlord.

May Almighty God, Bless Denver & Stacey Urlaub and Loving the Majesty Ministries and their partners.

We, Dada, Bébé, love you all.
